CAREERS NIGHT AT ALTONA NORTH TECH.

Careers Night, held on August 14, was an outstanding success. With active assistance from the Apex and Rotary Club an impressive display of local industrial activities and various Government enterprises interested a large crowd of parents and students.

About 80 advisors were located in 14 classrooms. Some elaborate models, flow charts, &c., of local industries were exhibited, and opportunities for employment therein were skilfully outlined by representatives of the firms concerned.

A comprehensive alphabetical guide to over 50 vocations enabled inquirers to find readily the room and table at which an expert was at their service to help with their individual problems.

During the evening in a brief broadcast over the school's public address system, Mr. W. J. Piggott, the school council president, supported by Mr. W. R. Seamer, school principal, suitably thanked all who had so generously contributed towards the undoubted very great success of the evening. Appropriate responses were made by

Mr. J. Foskett (past-president of the Altona Apex Club) Mr. V. Grant (president of the Altona Rotary Club) and Mr. Weisheit (a psychology and guidance officer of the Education Department).

CORRECTION

In our article on the Altona North Technical School last week, unfortunately a slight error occurred in the qualifications of the principal.

The correct qualifications are —B.Sc., Dip. Ed..

The Melbourne and Metropolitan Board of Works forwarded council notice of application by B.P. (Australia) Limited for permit to erect a petrol filling station on Lot 36 Blackshaws Road (corner of The Broadway). The land is zoned residential under the Council's Planning Scheme. It is now council policy not to permit the erection of service stations on land zoned residential, therefore, council will not support this application.

STREET LITTER

Civic pride and a little conscientiousness on the part of the public will assist in the solution of the problem of litter at the shopping centre in The Circle, Altona East.

This is the view expressed by Mr. J. Mellors, health inspector, in his report on the matter to Altona Shire Council.

He said generally, all shopping centres have this problem.

The council has already placed litter baskets in convenient places and they are of great benefit.

Mr. Mellors suggested more frequent cleaning by the mechanical sweeper would be an advantage, however, the problem of parked trucks and other vehicles reduces the effectiveness of this operation.

He recommended the employment of a person to manually sweep the area once per day, including Saturday mornings.

Council has referred this last suggestion to the Staff Committee.

Play Centre Meeting

Miss N. Lomax, of the National Fitness Council, attended a meeting with Altona councillors for the purpose of discussing holiday play centres to be conducted in 1964. The following points were made by Miss Lomax—

1. The 1963 play centre at Altona was the largest centre the N.F.C. has ever conducted.

2. Regarding the centre to be conducted at Civic Parade, Altona, endeavours be made to obtain additional indoor accommodation in the vicinity of the hall.

3. Policy of N.F.C. to assist one new centre per year. If council intends to conduct a centre in Altona North it is doubtful whether N.F.C. would assist as a new area would be preferred.

4. The maximum assistance available from N.F.C. would be approximately £300. Approximate costs of both the centres would be £500.

5. Application for assistance on the second centre to be made to N.F.C. by August 19, 1963.

6. Inquiries could be made to ascertain whether any accommodation is available in Altona for leaders.

General discussion then followed.

The council adopted the resolution that immediate application be made to the National Fitness Council for assistance in conducting a second centre in Altona North.

BEACH GROYNES

The construction of long groynes to hold sand at the beach front is necessary as the first stage in developing a wider and relatively stable beach Mr. R. C. Simmons, shire engineer, reported to Altona Council.

Mr. Simmons recommended the use of the considerable quantities of basalt which becomes available from time to time from local excavation works.

He suggested a rock groyne 12 feet wide at the top and six inches below the top of the sea walls recently constructed by the Board of Works and extending seawards for approximately 200 feet in the first instance.

It is expected that the sand which is naturally carried in an easterly direction parallel to the beach head will gradually accumulate against the groyne. At the outset seaweed will also accumulate and could create a problem at certain times of the year.

Mr. Simmons estimated the cost of building the groyne,

DISTRIBUTION OF SCHOLARSHIPS

Many pupils are being deprived of scholarships due to the manner in which they are being awarded by some town councils.

This was stated by a member at a recent meeting of the Western Suburbs Schools Association.

It was mentioned that many schools are fortunate to receive scholarships and other awards from local business industries and concerns, so perhaps in the very near future, all schools will receive assistance from other business identities.

However, it was agreed that before the discussion of distribution of scholarships could be carried any further, a letter should be forwarded to each council requesting their particular method of distributing scholarships.

Opening of the Altona East Kindergarten was delayed, due to problems brought about by path construction in the wet weather. However, the Altona North Centre at 384 Blackshaws Road and the Altona East Centre at 13 Collins Avenue were opened last week.

Citizenship Award

The Altona Shire Council is calling for nominations for the Citizenship Award. This award which is the highest award in the power of the council to bestow was instituted by the council last year and they hope to make the first presentation of this award on the day the new Civic Offices are officially opened.

The award is available for a person who in the opinion of councillors has given outstanding service towards the development and or advancement of the municipality or to the welfare of its citizens.

The recipient of an award must be or have been a citizen whose character and integrity is beyond reproach and who rendered service whilst a resident of the shire.

Nomination for an award must be submitted in writing by a councillor.

Therefore, councillors are asking residents who have information which they believe would make a citizen eligible for the award to come forward and supply the necessary details. If the public does not submit any nominees then another year will pass with no presentation.

Nominations are to contain the full name and address of the nominee, and a statement of the service rendered. The nominations close on September 30, 1963.

COUNCIL BREVITIES

The City of Williamstown has advised Altona Shire Council that street lighting in Kororoit Creek Road (east of the Altona Railway line) has been referred to the City Electrical Engineer for report.

Meantime the matter has been in the hands of the State Electricity Commission, which is the supply authority in the area.

The Country Roads Board advised the council that the Board has served notices of acquisition in respect of land required by the Board for the construction of the Princes Highway by-pass road in the vicinity of the crematorium. The council valuer has been requested to furnish details of valuations of lands in question.

STUDENTS HELP TO RUN REFINERY FOR A DAY

Helping Mr. W. H. Hesketh, general manager of Petroleum Refineries (Australia) Pty. Ltd. run the Altona Refinery for a day are Geoff Watt, of Williamstown Technical School, and on the right is Ken Ross, of Altona High School.

(See story on Page 2.)

SEA-WALL EXTENSIONS

The Melbourne and Metropolitan Board of Works forwarded plans of the proposed extension of the sea-wall at the Maldstone Street end of the foreshore. Cr. S. McIntosh said the Board should also consider repairing the sea-wall at the end of Sargood Street.

assuring rock was delivered free, at £3 per foot.

As the beach would be of tremendous benefit not only to Altona residents, but to surrounding districts too, the council proposes requesting a contribution towards the cost of the groyne from a Government authority such as the Board of Works.

EDITORIAL

Education

In the past the purpose of education was glibly stated as the teaching of the three R's—reading, (w)riting and (a)rithmetic. There was also grammar, history and geography. Learning was by rote—tables, dates and lists. There was also a certain amount of physical persuasion.

"By hook or by crook
I'll teach you this book."

It was a hard school and few would like to see its return—but it got results. To it our present educational leaders are much indebted.

Modern education is different. The scholar is still taught what he needs to know but also, in increasing measure, how he should think and how he should live. This is Education Week and many a parent has taken the opportunity to see over the school where his children spend so much of their time and examine the efficient facilities available. He cannot fail to have been impressed.

We do not fully accept the generalization. "Better a bad home than a good institution," but it has some truth. The teacher cannot take the place of parents. Anything that creates a lasting impression on a child's mind is part of his education. It is in the home that many such vital impressions will be made.

It is in the region of parent-teacher co-operation that the best interests of the child can be served. It is highly desirable that efforts of the various principals and head teachers to this end will continue to receive the increasing support that has been noticed.

It is a fortunate child who has parents who make the welfare of their child the main aim. Parents who take the positive action of surrounding their child with good influences, companions, literature and above all love and guidance.

It is a fortunate parent who relies on the assistance so fully provided by dedicated teachers in our modern schools.

TABLE TENNIS NEWS

All clubs and players interested in the summer penguin are reminded that entries close this weekend. Postal inquiries should be addressed to the centre, Garden Street, Williamstown.

The last round of the winter competition is in progress this week, and all semi-final matches will be played at the centre next week, with the finals during the following week.

In A Grade Maidstone are on top with 52 points and are logical favourites for the title. There seems little between Altona (48) and Williamstown Swimming Club (40); whereas

Australian Glass Manufacturers

on 28, would have a cause a major upset to win their semi-final.

In A Reserve Seagulls, with Ken Cooper and Wal Okunlewski in form, hold top place, with 48 points; close behind are Altona Petrochemical on 44 (Alan Dyall and John Garvin). Albright & Wilson, in third place on 36 points, could spring a surprise, as Ritchie Smallwood and Vic Petrenko rarely yield without a dour fight.

John Garvin hit the headlines by tossing hitherto unbeaten Ken Cooper last week, 21-18 in the fifth set, just when Cooper looked set to go through the season undefeated.

School Children Run Refinery

On Monday, August 19, 42 boys and one girl, senior students of Altona and Williamstown schools, helped to run the Altona Refinery for a day. The students, who came from the Altona High, Altona North High, Altona North Technical and Williamstown Technical Schools, were guests of Petroleum Refineries (Australia) Pty. Ltd. at P.R.A.'s contribution to Education Week.

Arriving at the Refinery at 9 a.m. the students listened to a talk by Mr. W. H. Hesketh, Refinery Manager, on various aspects of Refinery operations. Following further talks by department head explaining the functions of different sections of the refinery the students saw an excellent film entitled, "A Refinery at Work." Then they sat in with key personnel to observe and take part in running the Refinery.

The boys worked with supervisors at all levels, from the general manager down to the mechanical workshop, processing and control room.

Barbara Sloan the one girl student from Altona High, worked with secretaries, laboratory technicians, and inspected the process control room, the heart of the refinery.

During the afternoon when students gathered for question time, Mr. Hesketh said the company hoped to make this day an annual event.

Collin Rattray, of Altona North Technical School, on behalf of the students, then

WILLIAMSTOWN COUNCIL VICTORIA WARD ELECTION

Mr. E. (Ned) J. Michael has announced his nomination as candidate for the election in the Victoria Ward of the City of Williamstown on Saturday, August 24.

He is standing as an independent.

Mr. Michael is a well-known resident of 11 Maddox Road, West Newport.

He has identified himself with local interests, particularly with the West Newport Health and Recreation Centre.

He was the foundation secretary of that body and help the position continuously for nine years. He ultimately became the recipient of life membership of that body.

He is president of the West Newport Baseball Club and three of his sons—Jimmy, Tony and Kevin—are playing members.

Mr. Michael has been employed locally for the past 19 years as a welder at the Melbourne Harbour Trust, with a continuing membership of the Boilermakers' Society for 25 years.

HISTORICAL SOCIETY TO USE OLD SHIRE OFFICES

The Altona Historical Society has been granted use of the engineer's office in the old shire offices building, subject to the utilisation of the building for library purposes. The society will be able to use the offices until the library is established.

W'TOWN PROTESTANT CHURCHES FOOTBALL LEAGUE

The semi-finals of the Williamstown District Protestant Churches Junior Football League were played on the J. T. Gray Reserve in cool, windy conditions last weekend.

The first semi-final between Newport and West Newport saw both teams finding it difficult to score with the ball constantly blown out of bounds by the strong cross wind. Newport, with a four-point advantage at the interval fought on strongly in the last quarter to beat West.

Final Scores: Newport Methodists 6.10.46, defeated West Newport Methodists 2.2.14.

The second semi-final between Spotswood and Altona on the big oval opened at a fast pace, with Altona leading at half-time.

Spotswood fought back hard, but could not match Altona's good play in the gusty condition.

OBITUARY

Mr. J. J. Ravenscroft, one of the foremost head teachers in this area, died suddenly last week.

He was a former teacher at Altona Primary School and at the time of his death was head teacher of Kingsville Primary School.

He was instrumental in choosing the site of the Seaholme Primary School for the Education Department. At the time he lived in Civic Parade, Altona, practically opposite this school site.

Mr. Ravenscroft was a prominent man in all school activities in this area and his death means a great loss to the community.

OBITUARY

Mr. Theodore William Groome, 35 years, died early last Friday morning at the Royal Melbourne Hospital.

Mr. Groome had been a resident of Romawi Street, Altona, since his marriage 14 years ago.

For the past 10 years he had been an electrical contractor.

He was born at Newport, attended Newport Primary School and then Footscray Technical College.

He served his electrical apprenticeship with McKenzie and Holland and Monsanto Chemicals.

Mr. Groome is survived by his wife, Vyda, and three children, Suzanne 12 years, John 10 years, and Michael 2 years.

Final Scores: Altona Methodists 7.7.49, defeated Spotswood 3.4.22.

The minor final saw St. Andrews far too strong for Baptist Mission, who kept trying hard all day. It was good to see the small teams fighting it out all the way.

Final Scores: St. Andrew's Presbyterians 14.7.91, defeated Baptist Mission 2.5.17.

Preliminary final next week: Spotswood v. Newport.

Minor grand final: Holy Trinity v. St. Andrew's.

Both games at the J. T. Gray Reserve at 9.45 a.m. First named teams to wear white shorts.

1st SEAHOLME SCHOOL GIRL GUIDE TROOP

At a special assembly on Monday, August 19, the head teacher, Mr. A. Blackie, presented the Registration Certificate of the newly formed school Girl Guides Troop to Anne Buchanan and Janet Dutton.

Mr. Blackie congratulated the girls on being members of this Troop and wished the Troop every success.

error is required by the Commonwealth Bank before the Bank will grant finance on the property.

Cr. G. den Dulk said in his four years as a councillor, quite a number of cases where the builders have made mistakes have been before the council. He suggested builders should adhere to the regulations and they should not expect council to justify them taking wrong measurements.

Cr. den Dulk moved the application be refused. The motion was carried.

The Social Whirl

If you have any news of a birthday, engagement, wedding, or social event, it can be included in these pages. Phone 65-8880—there is no charge.

New President For Apex Club

Last week the Apex Club held a Handover Dinner to the incoming president for the year 1963-64. Mr. Jack Fosskett, as retiring president, handed over to Mr. Noel Anthony. The meeting took the form of a ladies night, at which Mr. Frank Edmunds, guest speaker, spoke on the British Commonwealth. The dinner was followed by a social evening with dancing. Pictured above are—FRONT ROW (left to right): Mr. Frank Edmunds (guest speaker), Mrs. Kate Anthony, Mr. Noel Anthony (president), Mr. Jack Fosskett (retiring president and new secretary). BACK ROW (left to right): Mr. Edmunds partner, Mrs. Hazel Rivett, Mr. Ray Rivett (retiring secretary), Mrs. Shiela Fosskett, Mrs. Fay Abrahmsen and Mr. Mr. Ottar Abrahmsen (District Governor).

EDUCATION WEEK CHURCH SERVICE

Over 100 people, including children from Altona schools, parents and other interested adults, attended the combined service in the Methodist Church Hall, which marked the beginning of Education Week last Sunday afternoon.

Lessons from the Scriptures were read by Altona High School pupils. The high school choir, conducted by Mr. Mausaus, sang the anthem, "Sibelius Finlandia," giving a very fine rendition. The accompanist was Mrs. Martin.

Mr. C. A. Housden, who is library services officer with the Education Department, and who is an active member of his church, spoke on recent trends in education, and the need for co-operation between teachers and parents. He pointed out the importance of a religious element in total education and stressed that parents had a particularly important part to play in the religious education of their children.

ALTONA SHIRE PENNANT

The Altona Shire Council has announced a competition for the design of a Council Pennant for flying and use on official occasions.

Pennants usually express in symbol the work or interest of the body they represent—in this case, it would be the Shire of Altona.

The competition is open to the general public and an appeal is made particularly to the artistic youth in the area to submit designs.

The council will select the design considered most appropriate and a prize will be awarded to the winner.

It may be as well if entrants note that blue and gold are considered to be Altona's colours.

Entries should be submitted to the Shire Secretary, Mr. J. W. Waters, at the Civic Offices, before noon on Friday, September 20.

MELBOURNE LADIES BENEVOLENT SOCIETY

At the annual meeting of the Melbourne Ladies Benevolent Society four Altona ladies were re-elected to the committee for the year 1963-64.

They are Mrs. C. W. McAlpine, a vice-president, Mrs. D. W. McIntyre, on the executive committee, Mrs. E. Atkinson and Mrs. E. Borrack, members of the general committee.

PATRONAL FESTIVAL

St. Eanswythe's Church will be holding its Patronal Festival on Sunday week, September 1.

A number of parishioners have been busy for several weeks preparing a pageant about the life of St. Eanswythe, which will be produced at the evening service on that day.

SCHOOL TERM HOLIDAYS

The State Primary and Secondary schools will be breaking up on Friday, August 30, for end of term holidays.

Schools will re-open on Tuesday, September 16.

St. Mary's school closes on Friday, August 30, and re-opens for third term on Monday, September 16.

All kindergartens in the shire finish on Friday, August 30, and recommence on Tuesday, September 17.

Members of this society are intensely interested in the welfare of the less-fortunate persons in our community.

During the past year the society has mainly operated in the inner suburbs with the exception of Altona.

It is difficult at times for the society to cope with the many demands made on the funds at their disposal, therefore, all donations are most gratefully received.

The society expressed their appreciation of contributions and donations received from the following local residents—

Cr. W. G. Cresser, Mesdames I. Spears, H. Sincok, M. R. Shields, Hughes, Flo McDonald, Dot Gadsden, Dot Watson, Jan Douglas and Margaret Neyland

The philanthropy of this society is in constant demand and each appeal is given sympathetic consideration, which entails a great deal of time in checking the bona fides of the applicants. Funds are limited, therefore they must ensure relief will be used to sustain those in genuine need.

MEN'S DINNER SUITS FOR HIRE ALL SIZES

Weddings, Deb. Sets, Balls, etc.

FRANK'S MEN'S AND BOYS' WEAR,
76 RAILWAY STREET, ALTONA.

BOWL BETTER!

AT THE ALTONA BOWL

SENIOR RESULTS FROM SATURDAY

ALTONA TOO GOOD FOR 'PORT

On a blustery day at Grant Reserve, Newport won the toss and kicked to the wind-assisted end. The game commenced at a great rate, only to find both teams become bogged down by the tricky wind. Newport were first to score, but it took them 17 minutes of the quarter. Altona was defending brilliantly and Newport could not take full advantage of the strong wind.

	Altona	v.	Newport
1st Quarter	10	6	12
2nd Quarter	5	32	12
3rd Quarter	6	28	4
FINAL	9	63	4

Altona's rucks were combining well and clever play by Noel Rohleder continually put Altona into attack. Had it not been for the wind Altona would have kicked four or five goals in this quarter.

In the second term Altona had the advantage and looked like going on with the job, but they lapsed into a negative type of game.

Newport, however, lifted themselves through the great efforts of Jack Evans and rallied well and eventually had Altona on the defensive.

Altona gradually forced themselves out of their slump and started to move well once again.

Mario Piovesan was playing all over Ken Withers. Bruno Aquilante was taking some good marks in defence for Altona.

Barry Johnstone of 'Port was a tiger around the packs and so was Barry Muschialli.

The third quarter saw Newport with the wind fall once again to capitalise. They wasted a couple of easy chances with poor kicking.

Barry Lock and Ian Harris were brilliant in defence for Altona.

Lou Thompson on the wing for Altona was having a field day with good marking and clever disposal.

Derek York was a tower of

strength in the ruck, but mainly excelled in the back pocket with some timely marks and good clearing kicks.

Geoff Dooley and "Tich" Horner were both playing well for Newport.

Jack Evans was striving to pull his team into gear. At the end of the quarter Newport were playing better than Altona, but were still behind on the scoreboard.

In the last quarter Altona carried all before them and blasted the Newport defence.

Noel Rohleder was instrumental in many attacking moves and the whole side, although not marking as well as they could have, were just too brilliant in ability and pace.

Although Altona won well they did not play as well together as they can. The reason they won was because they had too much all-round brilliance for 'Port's half dozen triers.

Goals.—ALTONA: Piovesan 4, Rowson 2, Peterson 1, H. Williams 1, Stephenson 1. NEWPORT: Johnston 1, K. Lynch 1, McNamara 1, Worland 1.

B-st.—ALTONA: Locke, L. Thompson, York, Piovesan, W. Wooding, Callender. NEWPORT: Evans, Muschialli, B. Dooley, Horner, Johnston.

LAVERTON DOWN AGAIN

In a dismal affair at Chirnside Park on Saturday, Werribee South had little trouble in defeating the disappointing Laverton.

Werribee South v. Laverton
1st Qr. 4 2 26 0 2 2
2nd Qr. 10 6 66 0 3 3
3rd Qr. 16 12 108 1 3 9
FINAL 18 19 127 2 3 15

Werribee South took the initiative from the first bounce and never gave their opponents a chance to do much attacking.

They had complete control of the rucks and their rovers were in everything. Brian Oldfield and Ron Macknamara were unconquerable and were almost allowed to do as they wished.

Laverton had few players who turned in a 100 minutes of football and consequently they were never in the position to endanger their opponents. Alan Fraser tried valiantly on a half back flank to keep the ball away from the danger zone, but he fought a losing battle as the ball was easily sent back as quick as he repelled it.

Best.—WERRIBEE SOUTH: Hayes, T. Stoios, Oldfield, R. Macknamara, L. Allison. LAVERTON: L. Hall, Fraser, Hind, Branley, Leahy.

Goals.—WERRIBEE STH.: T. Stoios 6, Munyard 5, A. Gouloupoulos 2, Hayes 2, Dent 2, Smith 1. LAVERTON: Sewell 1, Brown 1.

I.N.F. DEFEAT ROVERS

I.N.F. scored a decisive win over Williamstown Rovers when they clashed at Newport on Saturday.

	Rovers	v.	I.N.F.
1st Qr.	4	26	8
2nd r.	4	26	10
3rd Qr.	5	2	15
FINAL	5	2	32

With a superior forward line and a solid defence, I.N.F. soon showed who was boss by mounting up eight goals in a speedy first term.

Rovers also scored four goals in this term and it was, apparently, this effort which tired them out as they could only manage one major after the first change. I.N.F. then ran away to a 100 point victory.

Many good players showed up in the I.N.F. line-up, but the work of Jim Townsing at full-forward and Ron Carroll at centre half back was most noticeable.

For Rovers, Terry Matthews at centre half back was predominant as he bobbed up repeatedly and earned respect from the I.N.F. attack.

Best.—I.N.F.: Townsing B. Smith, Riley, Carroll, O'Toole. ROVERS: Matthews, Chamings, Pitt, Wolski, Dingey.

Goals.—I.N.F.: Townsing 7, W. Miller 3, O'Toole 2, H. Smith 2, Edwards 1, B. Smith 1, Pante 1, Melican 1, Riley 1. ROVERS: Spence 3, Dingey 2.

JUNIOR RESULTS FROM SUNDAY
Centrals Outclass Werribee

The firm favourites for the junior premiership, Central Altona, were never allowed to settle down to their customary style against the courageous Werribee in a game played under windy conditions at Soldiers' Reserve last Sunday.

	Werribee	v.	Centrals
1st Qr.	12	8	4
2nd Qr.	12	8	9
3rd Qr.	2	2	14
FINAL	2	2	14

Werribee were first favoured by a strong wind, but they could not capitalise on this and it looked as though Centrals would add another overwhelming victory to their credit.

Werribee, due to the inspiring exhibition of centre half back Michael Sheahan, withstood the over aggressive tactics of the visitors and with Barry O'Brien brilliant in the last line of defence, they repulsed many Central attacks, especially those of "Baldy" Szatkowski, Colin Peatling and "Show-pony" Wallace, who peppered the goals often.

It was quite a surprise, but Werribee did not wilt under the constant pressure, due to the strong play of captain Gavin Sheahan and the encouraging form of the newcomers, led by Chris Czerwinski.

Centrals display was not as impressive as expected and if the Peatling bogey is forgotten and their forwards are blanketed as they were in this game they will find themselves struggling in the finals.

Best.—CENTRAL ALTONA: Kizan, Davies, Johnstone, Gathercole, Peatling. WERRIBEE: O'Brien M. Sheahan, Czerwinski, Keogh, G. Sheahan.

Goals.—CENT. ALTONA: Crawford 3, Gathercole 3, Hill 3, Mateuszyk 2, Wallace 1, Peatling 1, Johnstone 1, Kakaschke 1. WERRIBEE: J. Smith 1, Berias 1.

ALTONA BOOSTS PERCENTAGE

With greater experience in most positions, Altona comfortably defeated the small Newport side at the J. T. Gray Reserve last Sunday.

	Newport	v.	Altona
1st Qr.	1	1	5
2nd Qr.	4	2	26
3rd Qr.	4	3	27
FINAL	5	4	34

Requiring a decisive victory for a lift in percentage, Altona tried hard early to break away from their opponents.

But, when Newport added three goals in an even second term it seemed to upset the Altona plans as they only led by 44 points at half time.

This is a handy lead usually but in Altona's position it was not nearly enough for them to boost that percentage.

After half time, the more experienced Altona players took control and had little trouble in running away from their opponents to coast home easy winners.

Gary Mildern was a tower of strength for Altona and combined well with Jimmy Page, who kicked nine goals in brilliant fashion. For Newport, Andy Stewart and Kevin Lynch were laways in the thick of things and repayed had their side attacking.

Best.—ALTONA: McLean, G. Mildern, Page, Cummin, Ewen. NEWPORT: Davies, A. Stewart, Thompson, Lynch, Taylor.

Goals.—ALTONA: Page 9, Ewen 4, Walsh 2, Mildern 2, Camilleri 1, Hobbs 1, McLean 1, Cummin 1. NEWPORT: Taylor 3, Thompson 1, Fitzpatrick 1, Bacon 1.

Centrals in great win

In the surprise result of the day, Central Altona scored an easy 20 point win over Metro. Farm at the Soldiers' Reserve last Saturday.

	Metro. Farm	v.	Centrals
1st Qr.	0	0	3
2nd Qr.	2	3	15
3rd Qr.	2	3	15
FINAL	5	5	35

With a mixture of some of their experienced players with some of their juniors, Centrals took charge almost immediately and soon had complete control.

Farm were lifeless in their approach to the game and only for Johnny Martin they would have found themselves in a worse position than they were.

Centrals had few non-triers. Keith Murrell was again the "rudderman" who guided the younger players along the

right course. Most encouraging thing from Centrals point of view was the performances of newcomers Wayne Kennedy and Otto Strumbras.

If next season's chances are to rest on the efforts of these boys the club's future looks rosy.

Best.—CENTRAL ALTONA: K. Murrell, W. Kennedy, B. Trevean, Strumbras, Jones. METRO. FARM: Martin, Gillett, Bryan, Aldersea, D. Cooney.

Goals.—CENT. ALTONA: Jones 3, Glynn 1, Lowren 1, W. Kennedy 1, Arnold 1. METRO. FARM: Martin 4, Wigg 1.

ALTONA FOOTBALL CLUB NOTES

A committee meeting will be held on Monday, August 26, in the clubrooms.

"STAR" AWARD

Saturday's votes for the "Altona Star" award for the best and fairest senior Altona footballer are—

N. Rohleder, 3; B. Locke, 2; W. Woding, 1.

The progressive total is—

15 D. York.
13 N. Rohleder.
10 M. Piovesan.
8 I. Harris.
5 R. Combes, B. Hogan, R. Richardson, M. Tisdale.
4 J. Andrews, B. Locke, E. Phillips, W. Woding.
3 J. Peterson.

ALTONA FACE TOUGH MATCH

In the main game in the Werribee League on Saturday, ALTONA face one of their toughest games in their approach to the finals, when they meet I.N.F. at Chirnside Park.

On present form, it would be hard to go past Altona, as they are playing well and only need to win to gain second place. Their main strength appears to be in their rucks and defence, and their teamwork is functioning well.

I.N.F. are not playing particularly well, but often rise to the occasion when participating in a tough game. However, Altona should win.

NEWPORT, after their defeat last week, should have an easy win and boost their percentage when they meet WILLIAMSTOWN ROVERS at Newport on Saturday.

* * * * *

Following their surprise win over Metro. Farm last week, CENTRAL ALTONA should win their second successive game by defeating LAVERTON at Langshaw Reserve on Saturday.

* * * * *

With an easy win required to give them a percentage booster, WERRIBEE SOUTH are sure to "go for the doctor" against METRO. FARM at Soldiers' Reserve on Saturday.

South have regained much of their lost form and, as Farm are in the doldrums, the margin in favour of South should be quite considerable.

* * * * *

In the JUNIOR competition on Sunday, likely winners (in black capitals) of games played on grounds of first named clubs should be as follows—
W-TOWN CYMS v. Newport.
Laverton v. CENT. ALTONA.
WERRIBEE STH. v. Werribee.
ALTONA v. I.N.F.

CLOSE WIN FOR C.Y.M.S.

In a surprise result at Chirnside Park on Sunday, W'town C.Y.M.S. had to fight all the way with a below numbered side to defeat I.N.F. by five points.

	I.N.F.	v.	C.Y.M.S.
1st Qr.	1	0	6
2nd Qr.	4	7	31
3rd Qr.	4	7	31
FINAL	7	8	50

With the first use of the breeze C.Y.M.S. struggled early to score but when Steve Rieger and Peter Zamykal took control of the ruck for them they quickly added three goals.

However, when I.N.F. got the use of the breeze in the second quarter they too began to attack. Garry Flynn gave them a lot of drive from the centre and at half time they had ranged to within one point of their final four opponents.

A determined effort by Williamstown in the third term improved their position slightly, but a lead of only 3 goals did not consolidate the position to any great extent.

As they only need three straight kicks to win I.N.F. settled down to business in an attempt to gain a shock victory. In this regard they almost succeeded but for a belated attack by Town late in the game which gained them a goal and eventual victory.

Best.—WILLIAMSTOWN C.Y.M.S.: Ambrosy, Zamykal, Wheatley, Rieger, Gulliver. I.N.F.: Flynn, Reidy, Maher, Toffolon, O'Malley.

Goals.—WILLIAMSTOWN C.Y.M.S.: Rieger, 3, Gulliver 1, Beani 1, Wheatley 1, McKenna 1. I.N.F.: Peters 2, Toffolon 2, Maher 1, R. Reidy 1, Richans 1.

SOUTH WINS EASILY

Werribee South scored an unimpressive win over a greatly improved Laverton on the wind-swept Laverton Oval on Sunday.

	Laverton	v.	South
1st Qr.	0	0	2
2nd Qr.	2	1	13
3rd Qr.	2	1	13
FINAL	2	2	14

South, with the first use of the wind, had the ball in their attacking zone for 15 minutes before they scored their first goal.

Laverton eager young backmen Jeff Cameron and Lance Jewell were defending well and turning many South attacks, with the results that South scored only three goals for the term.

The second quarter saw Laverton break through Werribee South's strong backline twice to goal, but South soon steadied and goaled against the wind to give them a 14 point lead at half time.

After the interval, South's brilliant centreman Don Traianon rammed home two quick goals to get his team off to a good start and with John Tyquin winning hands down in the ruck, South soon built up a commanding lead.

The final term saw Laverton's small men, led by John Pyne drive them forward many times, only to see the strong South defence send it back almost as quick.

South were able to add two goals into the breeze in the last term and they ran home comfortable but encouraging victors.

Best.—WERRIBEE SOUTH: Tyquin, McNaughton, Brown, Traianon, W. Edwards. LAVERTON: Cameron, Bannister, Brennan, Murphy, Howells.

Goals.—WERRIBEE STH.: R. Edwards 2, Tyquin 2, Traianon 2, Parker 2, Cannell 1, Clayton 1.

ALTONA JUNIOR FOOTBALL CLUB

The Junior Circle winner this week was No. 28.

"STAR" AWARD

Sunday's votes for the "Altona Star" award for the best and fairest junior Altona foot-

baller are—
P. McLean, 3; G. Mildern, 2; G. Ewen, 1.

The progressive total is—
19 G. Ewen.
17 P. McLean.
15 A. Bartolo.
14 G. Munro.

Request Granted

Two requests to Werribee Shire Council by A. Weinberg Pty. Ltd. have been investigated by the health inspector, Mr. R. K. Andrew.

The first request was for the council to exempt the company from paying their cattle holding yards in accordance with Offensive Trade Regulations.

Mr. Andrew reported to the council that the Commission of Public Health requires the paving of the yards to be completed by June 30, 1964, but the experience of the company and the Shire Meat Inspector (Mr. Lilburne) has been that cattle are particularly intolerant to being yarded into areas which are paved. The cattle tend to go lame very quickly besides suffering injury on slippery surfaces.

Mr. Andrew stated he agreed with these views and recommended that the Commission be requested to exempt the company from paying the cattle holding pens on condition that drainage systems be improved to render that holding pens as dry as possible.

The council accepted the suggestion of Cr. A. Davis that for the time being they would support the recommendation of the Health Inspector.

The second request was for permission to spray waste water over their grazing land for irrigational purposes during the summer months.

At present Weinberg's are complying with council notice of July 5, 1963, requiring them to discharge all liquid into the outfall sewer. Previously the company drained wastes on land surrounding the abattoirs to the detriment of Dohertys Road.

Mr. Andrew stated under no circumstances would he recommend pasture spraying during the winter months, but if properly controlled he

could see no objections to summer spraying providing the company complies with certain conditions.

The council agreed that the recommendation by the Health Inspector be adopted.

COURT PROCEEDINGS

Two Laverton butchers were convicted by the Werribee Court of Petty Sessions on July 29 for selling adulterated meat.

It was the second offence by both defendants.

R. Hogan, Aviation Road, Laverton, was fined £10 with costs £8/8/-.

R. Kerger, Lohse Road, Laverton, was fined £15 with costs £8/8/-.

At the same Court B. M. & W. E. Forman, of Watton Street, Werribee, were found guilty of having dirty food premises and fined £47 with costs £15/15/-.

A builder, G. Scambraro, of Cottrell Street, Werribee, was fined £10 with costs of £5/5/- for failing to provide closets at new buildings.

Aero Club Formed

Last week 15 flying enthusiasts met and formed the Werribee Aero Club. Dr. Pearson, of Werribee, was elected president, Kevin Thompson, Werribee, is secretary and Ray Rivett, of Altona, is the treasurer.

The club has been offered the use of land owned by Cr. B. Powell for a future airfield and they are now negotiating with the Department of Civil Aviation for approval of the air field.

The committee is investigating the possibilities of purchasing an aircraft for the club. It is hoped in the near future to conduct flying tuition with a qualified instructor.

Some of the foundation members are already qualified

Blocked Drains Cause Flooding

Flooding of streets and footways in the Laverton Housing Commission area has been investigated by the Werribee Shire Engineer, Mr. A. McCormack.

In his report to council Mr. McCormack said flood time is the real proof of success or failure of ALL drainage schemes.

Flooding did occur at Laverton. However, he said it has to be pointed out that the whole drainage system was blocked with rubbish.

Mr. McCormack stated when flooding was at its worst one Saturday afternoon, he spent four hours trying to clear drains. Retrieved out of the drains were a bicycle frame, large rubbish bin lid, slab of concrete, part 6 inch G.I. pipe, several sizzards, boulders, many children's toys and sundries.

"It would appear that the design of the system is in keeping with good standard practice," said Mr. McCormack, "but we must try and get people to refrain from using the storm-water underground as a tip."

Cr. Davis asked what happened to the promised rubbish drive? "Appears to have been forgotten," said Mr. McCormack.

Cr. B. Comben asked if there was any way to cover the entrance to the pits. Mr. McCormack said, "No, not very well, quite a problem."

Cr. Davis then suggested that the council should conduct quarterly rubbish drives in Laverton.

1st LAVERTON AIR SCOUTS

Parents of the group are invited to attend a presentation of a Queen's Scout Badge to Keith Robertson in the Laverton Scout Hall on September 3.

The District Commissioner, Mr. R. Schutt, will officiate. Keith is but the second Laverton Scout to attain this honour.

His Excellency the Governor and Chief Scout of Victoria, Major General Sir Rohan Delacombe, K.B.E., C.B., D.S.O., will present Royal Certificates to Queen's Scouts and Guides at a ceremony to be held at Government House on Saturday, October 19, at 10 a.m.

Fathers and friends of 1st Laverton Air Scout Troop are invited to attend a working bee at the Scout Hall on Saturday, and Sunday, August 24 and 25, commencing at 10 a.m.

Senior Scouts from 2nd Kew Troop played a basketball match with Laverton 1st Sen. Scouts last Friday and were later entertained in the Laverton Scout Hall.

On Monday evening seniors visited 5th Footscray and were given a lesson in artificial resuscitation.

All senior scouts are expected to attend a weekend camp at Ararat on August 30.

The meeting on Friday, August 23, has been cancelled.

Last week a card evening was held at the home of Mrs. Haig, 42 Elm Street, Laverton. Prize winners were—

Ladies prize: Mrs. Barry; Gent's prize: Keith Robertson; Booby prizes: Mrs. Jones and Mr. Haig; Competition: Mrs. Picking.

Prizes were donated by Mesdames Short, Haig, and Barry and Mr. B. Comben.

DOHERTYS ROAD REPAIRS

The design of the culvert under Doherty's Road, near Fitzgeralds Road, Laverton, is sound, reported the shire engineer, Mr. McCormack, to Werribee Council.

Due to having to take flood waters before the headwalls were completed this culvert has been slightly displaced. However, the culvert proved that its design was sound because under the test it had 9 inches to spare.

Mr. McCormack suggested removal of stones from the fence on the downstream side of the creek course would further improve the discharge rate.

Council agreed to contact the land owner for permission to remove the stone wall from the creek course and replace it with a different fence.

Contractors have completed the roadwork portion of this floodway.

Following damage by floods two gully sections of Doherty Road—east of Derrimut Road—have been repaired and resealed. A further section near Truganina Hall has been made safe only.

Mr. McCormack suggests this latter section requires a larger culvert with a better get-away and the road raised approximately 12 inches over a distance of 800 feet. He estimates the cost would be £650.

Cr. Cowie said there was too much water around to do anything at present and suggested council not consider this work until conditions are drier.

Mr. McCormack also reported another section of Dohertys Road needing attention. The road near Cherry Lane

in the East Riding requires a very large culvert with the deepening of water tables on the upstream side. The floodway also requires strengthening over the length that has been flooding.

Cr. Davis proposed that the engineer be authorised to proceed with work to rectify the flooding.

Above proposals by both councillors have been adopted by council.

CATHOLIC PRIMARY SCHOOLS SPORTS

PREMIERSHIP LIST

The final list of the Catholic Primary Schools Sports Association premier teams are as follows—

Football. — North Section: Basketball. — A Grade North: Braybrook. B Grade North: Kingsville. C Grade North: St. Albans.

Football. — South Section: Williamstown.

Basketball. — A Grade South: Yarraville. B Grade South: Werribee. C Grade South: Yarraville.

Soccer.—St. Albans.

LIGHTENING PREMIERSHIP

A Lightning Premiership will be held at Werribee on Sunday, August 25, on the Returned Soldiers Oval, commencing at 1.30 p.m. All parents of children are asked to attend.

BOARD'S C.R.B. PLAN FAILS TO SOLVE PROBLEM

The new alignment of the by-pass road through Laverton will still cause vehicles to use Linden and Kiora Streets as a main route into Laverton said Cr. A. Davis at the last Werribee Council meeting.

The Country Roads Board had forwarded the plan showing the new alignment of the proposed by-pass road to the council.

The new access road will now be the first road south of North Road.

Cr. Davis suggested to overcome the problem Linden and Kiora Streets be made cul-de-sacs.

He therefore moved that the plan be approved by the council subject to the attraction to these two streets.

**SPORT****WEST NEWPORT
BASEBALL CLUB**

West Newport led all day last Saturday to defeat Cathedral Y.C.W. in a good game of baseball. Next Saturday is the last game for the season, and West must either win or draw against third side Melbourne University to retain second place.

A TEAM

A two-base hit by lead-off batter Ron McDonald Jun., followed by safe hits by Kevin Michael, Ron McDonald Sen. and Don Henderson, scored three runs for West Newport in the first innings.

West Newport scored two more runs in the second innings when the Cathedral pitcher filled the bags, hit a batter with the ball and walked another.

Cathedral fought back to bring the score to 5-4.

The A Team batted in two runs in the fifth innings to go further ahead 7-4.

Runs in the seventh and ninth innings made the game safe for West Newport.

Tony Michael returned to the pitching mound after an absence of eight weeks through injury and showed that he is quickly returning to form by striking out seven batters.

The batting and fielding of the team was not as good as it has been in past weeks, but it will improve.

Safe Hits: Kevin Michael 2, Ron McDonald Jun. 2, Ron McDonald Sen. 2, John Armstrong 1, Don Henderson 1, John Reale 1, Alan Solomano 1, Alan White 1.

Best Players: Alan White, Ron McDonald Sen., Ron McDonald Jun., Tony Michael, Kevin Michael.

B TEAM

The B Team, playing at Loft Reserve, West Newport, defeated St. Albans 3-2.

West played a much-improved game than in the previous week. Ray Scott on the mound pitched his first game for the season to Alec Parker and played well.

There was more teamwork in this game and with good fielding and batting West held St. Albans scoreless until the third innings when St. Albans tied the score at 1-1, but then the B Team went ahead 3-1.

Best Players: Don Mackay, Terry Forrester, Nick Toscas, Peter Campbell.

Safe Hits: Don Mackay 3, Peter Campbell 2, Terry Forrester 1, Ray Scott 1, Kerry Barr 1, Nick Toscas 1.

JUNIORS

Playing in their last game for the season the Juniors were defeated 12-1 by the undefeated Essendon team.

The Juniors played well with Terry Forrester pitching to Ray Delaney who caught well until an arm injury forced him out of the game. Don Henderson then took over the catching position, but Essendon were far superior and held the lead throughout.

Best Players: Richard White, John Armstrong, Des Forrester.

Safe Hit: Don Henderson 1.

THIS WEEK'S GAMES

The A Team play Melbourne University at Loft Reserve, West Newport, at 12.30 p.m.

The B Team play Buckley Park Methodists at Aberfeldie Reserve.

TEAMS FOR SATURDAY
A TEAM.—T. Michael, A. White, K. Michael, R. McDonald Sen., J. Armstrong, R. McDonald Jun., J. Reale, D. Henderson, A. Solomano, A. Parker, K. Barr.

B TEAM.—R. Scott, Don Bearman, T. Forrester, N. Toscas, D. Mackay, P. Campbell, R. White, D. Swallow, A. Boxshall, J. Michael, R. Delaney, C. Apostolides, J. Little.

**SPORTING
PERSONALITIES
PAST AND PRESENT**

No. 2—BILL ROSS
Sth. Melbourne Footballer.

Many young boys have the ambition to become a member of a League XVIII but their dreams do not always come true.

This was not the case with Bill Ross, who had a desire during his school days to join a League team.

Ross fulfilled his ambition and is now a member of the South Melbourne line-up.

At the age of 11, Ross became a student at the Williamstown High School and while in attendance there, was all round swimming champion in the Under 12 Division. As a representative for the school in the Western Schools Division, which at the time took in eight schools, Ross won the breast stroke and took second place in the free style.

Ross as a cricketer has plenty of ability, for in the 1960-61 season he played for Altona A.N.A. XI in the Williamstown and Footscray District Cricket Association. During that season, Ross took the club bowling honours with an average of eight runs per wicket scored against him.

The 1962 cricket season found Ross transferring to the Altona Cricket Club and in that year, ironical as it may seem, he got the hat trick against his old team, A.N.A., a result that most bowlers dream about and never get in a lifetime of cricket.

Ross represented his school in football during 1960, but the year 1961 was an idle one as far as competitive football was concerned. He used this year as a building-up period, for the seasons to follow.

On the advice of two of his teachers at the school, Ross tried his luck with South Melbourne, but before he was signed up by the Swans, Ross trained with Footscray—he was keen to play for them—but being in South's territory, he had no other option than to sign with them for 1963.

Signing with South did not retard Ross in his ambition to do well as he made the first's list after two games with the seconds. To date he has played 11 games with the firsts and has played in the following positions—half-forward flank, roving and on the wing.

A first-year player being named among South's best players particularly against players of the calibre of Alister Lord of Geelong, a Brownlow Medalist, and Laurie Dwyer of North Melbourne,

HOCKEY CLUB WINS AT LAST

A GRADE.—Altona went into this game with a carefree attitude and proved that they have the ability to win matches.

T. Smith scored two well-earned goals with forceful play around the circle.

Altona's task was made more difficult when R. Smith was injured early in the second half and left the field. Playing with 10 men Altona scored again to win well.

Final scores: Altona 3, defeated Brunswick 1.
Goals: T. Smith 2, E. McCauley 1.

Best: T. Smith, E. McCauley.

B GRADE.—Altona were in attack for the better part of this game, but found it hard to convert the ball into the net.

The opposition goalkeeper was the best man afield in allowing only two goals out of countless tries. Altona, well on top of the ladder, should not be beaten this year and should also win the flag.

Final scores: Altona 2, defeated Strathmore 0.
Goals: K. Burgess 2.

Best: A. Docker and P. Doerner.

C GRADE.—Altona missed opportunities owing to out of form players in key positions.

With Fairfield playing attacking hockey they scored three goals against a bewildered Altona defence.

In future games Altona will have to give a full 20 minutes of hockey instead of just a few minutes.

Final scores: Altona 3, drew with Fairfield 3.

Goals: J. Gardner 2, S. Hyde 1.

Best players: J. Gardner, S. Hyde.

THIS WEEK'S GAMES
A GRADE v. R.A.A.F. at Altona at 3.30 p.m.

B GRADE v. Ivanhoe away at 1.45 p.m.

C GRADE v. National Bank at Altona at 1.45 p.m.

ALTONA DART LEAGUE NOTES**BROOKLYN HOSTEL
PREMIERS**

Brooklyn Hostel, after joining the League with a 16 point deficit, overhauled the field to win a place in the finals, and to cap off their struggle, they emerged as premiers of Division 3.

Brooklyn gained a good start in the singles when B. O'Neill (captain) and J. Graham defeated S. Carlson and P. Tantari. B. Hitch and W. Ellis of Centrals won the next two singles to make the score two each.

R. Trecklebank and A. Moose of the Hostel defeated M. Ellis and D. Sanfilippi to again take a two game lead.

In the first trebles B. O'Neill, J. Graham and W. Russell defeated S. Carlson, P. Tantari and B. Hitch to clinch the premiership.

ALBRIGHT & WILSON WINS
In the final of the "Altona Star" Knockout Competition, Albright & Wilson, playing more purposefully, finally wore down Altona Darts to win the final game.

T. Rogers (Altona) won the first singles from J. Irons (A&W). A. Easdon (A&W) defeated S. Naylor to even the score, however, W. Reid and W. Males (Altona) defeated W. Irons and C. Ward to forge ahead with a three game lead.

T. McCully and R. Harvey (A&W) reversed the play when they defeated R. Kearney and B. Harrison to make the scores even at 3 all.

Each team had a victory in the trebles.

In the team game Albright & Wilson lasted to defeat Altona Darts and take the title.

These games now finish the winter season for the League, the League wishes to thank

gives Ross a high rating in League ranks.

Now only 18 years of age, he is certain to improve further with time and experience.

University studies are playing a big part in the future of young Bill Ross and he hopes to become a secondary school teacher, should he succeed, and we trust he will, Bill will no doubt pass on successfully to his students, his football and sporting knowledge.—STAN CLEGHORN.

NEXT WEEK: Geoff Heyme—South Melbourne.

all players and officials without whose co-operation and team spirit, the League could not have been a success as acclaimed by all.

**SINGLES AND DOUBLES
CHAMPIONSHIPS**

In reply to many requests, the League will be conducting the singles championship at Marions Hall tonight (August 22). Players are to be on the mark by 7.30 p.m.

The doubles championship will be conducted at Marions Hall, Seaholme, next Thursday night (August 29). Players are to be on the mark at 7.30 p.m.

Players in both events are requested to be on the mark at the stated time, as both nights will be big.

SUMMER COMPETITION

Entries for the summer competition have closed and 24 teams have entered. A special meeting for all new teams will be held at the Bristol Hotel, Ferguson Street, North Williamstown, on Monday, August 26, at 8 p.m. to explain the League and what is expected of the new teams.

FINAL SERIES

At the conclusion of the home and home games the top team of each division will play-off in the final series as follows—

November 15.—1st Semi-Final: 3rd team v. 4th team. 2nd Semi-Final: 1st team v. 2nd team.

November 29.—Preliminary Final: Winner of 1st Semi v. Loser of 2nd Semi.

December 6.—Grand Final: Winner of 2nd Semi v. Winner of Preliminary Final.

December 14.—Presentation Dance, St. Mary's Hall, Altona. The final series will be conducted at Marions Hall, Seaholme.

TROPHY ALLOCATION

Trophies will be allocated as follows—

Premiers, runners-up, gold medallion to each player in premiership team, silver medallion to each player in runner-up team, highest number of 100's or over, highest number of games shot, highest score, highest number of single games won.

KOORINGAL GOLF

Last Wednesday's 18-hole stroke was won by—

A GRADE: Mrs. O. Miller (15), 76 net.

B GRADE: Mrs. W. Sandilands (38), 72 net.

The V.L.G.U. spoon was won by Mrs. P. Holdsworth.

They Live in a World of Their Own Oil - Altona's Destiny

The Altona Spastic Aid Committee paid a visit to the Chis-Lon Spastic Centre on Monday, August 19. They were welcomed by the secretary, Mrs. Andrews, and after a most enjoyable cup of tea and refreshments, a tour of inspection was made.

These children and adults are cared for by a fully trained staff and the results are truly amazing. Each one attending the centre has individual attention according to his or her need. In the adult section where handicrafts are taught some amazing work has been done. Two adult females entered articles in an exhibition of knitting and fancy work, both were given places. These good will be shown at the next Country Womens Meeting.

The secretary told members of the committee nothing at all was wasted at the centre, they need such a lot to keep these

children busy and happy.

If any of our readers have any of the following they will be very acceptable—

Empty cotton reels, marmite jars, fancy wine or liquor bottles, plastic ice cream containers, Christmas or birthday cards, small or large pieces of plastic, in fact, anything at all usable. Goods can be left at Tye's Furniture Store, Pier Street, Altona; Mrs. Groves, 16 Millers Road, Seaholme; Mrs. McGregor, Kororoit Creek Road, Altona West; and Mrs. Oakes, 9 Upton Street, Altona.

The coming of the Oil Refinery to Altona was not, as it is commonly thought, the first mention of "oil" in the district. Nearly 50 years ago the town was agog with what appeared to be the discovery of oil. Oil was oozing out of the ground near the bank of the Kororoit Creek, east of Millers Road.

Altona was pegged out in claims by "would be" oil millionaires.

One gentleman erected an elaborate rig and commenced drilling operations in the vicinity of the racecourse.

But, alas, it was a hoax.

Near the Racecourse Railway Station was a fletcher's hut containing several drums of oil. Some of the local lads, being ever ready for a prank, had "borrowed" the drums of oil and buried the contents. This was the oil oozing out of the ground.

What a co-incidence today. The very spot from where the oil was oozing is now the position of an outlet pipe from the oil refinery.

This is one of the very interesting anecdotes on life in the early days of Altona as related by long standing residents during meetings of the Altona Historical Society.

It is suspected that as the narrator of this story was

very clear on the facts of the escapade he may have been more than an interested onlooker.

GUIDES AND BROWNIES

The annual meeting of the Local Association for Girl Guides and Brownies was held last week.

Office-bearers elected for the year 1963-64 are—

President: Mrs. Pryce; Vice President: Mrs. Hartley; Secretary: Mrs. Hutton, telephone 65-8573; building secretary: Mrs. Keeshan; Treasurer: Mrs. Rosling; Publicity Officer: Mrs. Beales, 65-8603.

Cr. V. Hearn chaired the meeting at which the guest speaker, Mrs. Morton, spoke on proficiency badges.

Failed To Report Accident

Burnley Harding Collis, of Webb Street, Altona, was charged that on May 25 at Altona, he was the driver of a car on Millers Road when an accident occurred whereby a person was injured, and he did fail to report full particulars of the accident to the nearest police station. He pleaded guilty.

William George Davis, of Cobham Street, Altona, said at 6.15 p.m. on May 25 he was returning from Williamstown and just crossed the Millers Road bridge. On the rough road over it he thought he had a flat tyre and a little further on in the bend he pulled over, about five feet off the bitumen. He got out and was checking the tyres when he saw a car catapulted at him. Defendant, who was driving the other car, said, "What the — were you doing, I didn't know whether you were going or not." He rushed to his car and found his small daughter had a bad cut on her head. His father, who was travelling a bit further behind, came up and took the child to a doctor. Defendant got out of the car and said he could see no real damage. He said his father was getting the police and had taken the child to a doctor. He asked defendant if he would leave his car where it was, but Collis said no, he could see nothing wrong and no reason to stay. He got in his car and drove off.

He asked him why he did not wait when told somebody was injured and the police were coming and Collis said he thought they would be all right.

Collis told the Court Davis's car was pulled up on the gravel on the bad part of the road. He had been following him and pulled out to pass, but two cars were coming in the opposite direction and he had to pull back to avoid them. He tried to avoid Davis's car but skidded into the rear of it. He was shown a child with a small bruise on her forehead. On his way home he called in to the police station, but there was nobody there. He was at the accident a good half an hour before he left.

He was fined £5 with £8/2 costs.

ROAD SAFETY STARTS WITH YOU

There is no such thing as ROAD safety for a pedestrian. Every road, everywhere, is a pedestrian hazard.—Australian Road Safety Council.

ALTONA PEDAL CLUB NEWS

The annual meeting of the Altona Pedal Club will be held at 77 Maidstone Street, Altona, on Sunday, September 1, at 2.30 p.m.

All members and intending members are asked to attend as the business will be the election of office-bearers for the coming year.

Members taking part in the rally at Albert Park next Sunday are asked to meet at 28 Linnett Street at 9 a.m.

In the not too far distant future the club will be holding a picture and pie night.

SILVER PEDAL
The Silver Pedal results this week are 61, 40, 34.

ELDERLY CITIZENS' CLUB NEWS

The committee of the Altona Elderly Citizens' Club wish to thank all who came along last Saturday and made the dance such a success.

The next dance will be on September 7.

August 31 will be the birthday party for members whose birthdays fell during August.

ALTONA TENNIS CLUB NOTES

The annual meeting of the Altona Tennis Club was held on Tuesday, August 13.

The following office-bearers were elected for the 1963 season—

President: Mr. L. Findlay; Secretary: Mrs. S. Adcock; Treasurer: Mr. C. Turner.

All club fees are now due and members who wish to play summer pennant must register their name on the club notice board no later than Sunday, August 25.

URGENT

Are you a tennis player? With the addition of lady players to the Altona Tennis Club, the club urgently needs male members desirous of playing social and competitive tennis. The club would make welcome any such persons at the Open Day, on Sunday, August 25, at the courts on Grant Reserve.

All members are asked to attend by 2 p.m.

JUNIOR TENNIS TEAMS FOR SUNDAY

The "Wales" & Cobb & Co.

History repeated itself, if only by re-enactment, when the Bank of New South Wales consigned a bullion box from Bourke, in Western N.S.W., to Melbourne last weekend aboard a Cobb & Co. coach. The coach is making a 3000 mile run from Port Douglas in North Queensland to arrive at the Royal Melbourne Show on September 20.
The coach run, which is being made to raise money for the Royal Flying Doctor Service, will pass through centres on the route that in the heyday of coaching were served by the Company's coaches.

"THERE THEY GO" The Cobb & Co. coach, drawn by five sturdy "greys", leaves Bourke to continue its historic run from Cape York to Melbourne.

ROARING DAYS OF GOLDMINING

And it is appropriate that the Bank of New South Wales, which was so closely associated with the roaring days of goldmining, should enter into the spirit of the game by consigning a contribution to the Royal Flying Doctor Service in a facsimile of one of the old bullion boxes that were used to bring gold from the diggings in the times when "Cobb & Co was King."

The box is a replica of a bullion box in the possession of Sydney's Mining Museum, and has been plastered with a copy of a Cobb & Co. waybill.

HISTORY OF COBB & CO.

The first run of a Cobb & Co. coach was on January 30, 1854, from the Criterion Hotel in Collins Street, Melbourne, to the Forrest Creek diggings, now Castlemaine.

The year before, the four principals of the new venture had arrived in Melbourne as representatives of the American firms Wells Fargo and Co. and the Adams Express Co. They were Freeman Cobb of Brewster, Massachusetts, John Murray Peck of Lebanon, New Hampshire, James Swanton of Omar, New York State, and John B. Lamber of Leveanworth, Kansas.

It quickly became obvious to the four Americans that more money was to be made from the carriage of passengers to and from the booming goldfields of Victoria than in the haulage of goods from the docks into the City of Melbourne, for which purposes they had been sent to Australia.

Their American principals, however, saw no future in the proposal, and so Cobb & Co. was formed and the four expatriates set about raising local capital to import coaches manufactured by Abbott and Downing of Concord, New Hampshire.

COACHES SOON WELL-KNOWN

That Cobb and his partners had accurately assessed the potential of passenger transport was soon shown. Within two years their coaches were a well-known sight on the roads linking Melbourne to the goldfields, and an ever-increasing number of experienced American coach drivers were arriving to "give the game a go."

Some worked for the firm, others operated independently but by agreement ran under the name of Cobb & Co.

The firm changed hands several times in the early period. Three of the original four partners returned to America, Cobb to become a Senator for Massachusetts, and in 1860 a syndicate headed by James Rutherford, from Erie, New York, took over the coaching reins and directed the expansion that was to take Cobb & Co. coaches into three States.

THE MOVE TO BATHURST

By the early 60's the construction of railways in Victoria was taking business away from the coaches, and the

Company shifted its headquarters to Bathurst in western New South Wales, which was to remain the centre of Cobb & Co. activities for half a century. There they began building their own vehicles, and from there the coaching routes spider-webbed out across the States of New South Wales, Queensland and Victoria. Some idea of the extent of their operations in the 70's can be gathered from statistics. By then they were harnessing 6000 horses a day and covering 28,000 miles a week with mail contracts worth £98,000 a year.

Cobb & Co. traditionally served areas the railways did not reach. The discovery of gold in out of the way places meant the pioneering of new coaching routes, particularly in Queensland, where, by the end of the 80's, the Company routes totalled 4000 miles.

Cobb & Co. reached the zenith of its operations soon afterwards, but the speed up of railway construction and, later, the advent of the motor vehicle spelt doom for the lumbering coaches with their foam-flecked horse teams.

The last coach ran between Yuleba and Surat in Queensland in 1924, after which the coaching days became one with history. No more, as Lawson had it, would a thousand camps "see tonight, the lights of Cobb & Co."

The name, however, has remained in business ever since, and today Cobb & Co., under the direction of Mr. W. R. F. Bolton, runs heavy transports along modern highways that would have made the old Cobb drivers red with envy.

THE GOLD RUSH DAYS

The participation of the Bank of New South Wales in the 1963 coach run recalls the pioneering that was done by bankers as well as coach drivers in the years of last century when the gold strikes at Ballarat, Bendigo, Bathurst, Lambing Flat and other bonanzas focussed the attention of the world on Australia.

The "Wales" had its men on the spot wherever a rush developed. After the Bank was a tent, often a rough humpy of saplings and rough-hewn slabs. The staff, usually a manager and his assistant, lived a primitive existence and, when their gold purchases had been heavy, doubtless felt relieved when the Cobb & Co. coach and its mounted escort of troopers arrived to collect the bullion.

Some ideas of a banker's duties on the goldfields can be gathered from one of the first account books kept by

the Adelong branch of the "Wales" at the height of the Adelong rush. The entries tell their own story—

Making 38 gold bags	8 0
Conveyance of gold to camp	5 0
Recovery of strayed horse	10 0
Registration of revolver	1 0
Groom's wages for one week	5 0
7 lbs. rocksalt	3 6
4 boxes of matches	8 0
Repairing saddle	14 0
Stabling Kiandra agency officer's horse for three nights	1 10 0
Horse's keep at Sharpe's paddock	1 6 0
Escort fees on £2000 to Kiandra	9 0 0
	£11 9 6

BUSHRANGERS

The bushranging days were at their height, and the Ben Hall gang, the Clarkes and others added a spice to the lives of bankers and Cobb & Co. drivers alike.

The most famous coach robbery took place at the Eugowra Rocks near Forbes in 1862 when the coach and its armed escort were ambushed by Frank Gardiner and his band of desperadoes.

The sinister cry of "Ball up" was all too familiar; a tree across the road, a fusillade of shots to deter opposition, a hurried search of the coach, and the precious gold dust on its way to Sydney would be secreted in a bush hide-out away in the unexplored heights of the ranges.

"A rattle of shots and the prize is won. The trooper lies in the road. The guards are held by the grinning Dunn, While Gilbert and Hall unload. Mailbags are ripped for notes and gold, And they curse at the useless bills, Then leap to the saddle, trio bold, A jingle of spurs and the tale is told, As they gallop towards the hills."

A LINK WITH HISTORY

The present Cobb & Co. has organised this historic re-enactment of perhaps the most colourful period of our history to benefit the Royal Flying Doctor Service.

As the coach enters towns on its long journey from Cape York to Melbourne, many a heart will be stirred with recollections of the days when men were closer to nature, living in lonely camps and outposts, and depending on horses for transport.

Perhaps, in an age of jet engines and concrete, of organisation and air-conditioning, there will be many who will think wistfully of an era when time and speed were not of such paramount importance, and the world could be surveyed in a leisurely fashion from the box of a coach—of the good old days when Cobb & Co. was King.

When you think Ford, think Melford because

Melford Motors offer Melbourne's most complete sales and service facilities for the Ford buyer...

- 1 NEW CARS.** The full range of Ford-built Value-Leaders — FAIRLANE, FALCON, ZEPHYR, CORTINA and ANGLIA — are all on display in Australia's largest Motor Showroom at 621 Elizabeth Street, Melbourne (Corner Queensberry Street).
- 2 "FALCON-LEASE" PLAN.** For Fleet operators and other users desirous of conserving capital we offer economical leasing arrangements applicable to all Falcon models.
- 3 FALCON WARRANTY.** We back the sale of every Falcon Sedan and Station Wagon with Australia's only "30/30" Warranty covering the vehicle for 30 months or 30,000 miles, and at no additional cost whatsoever.
- 4 NEW COMMERCIAL VEHICLES.** Our Specialised Ford Truck Headquarters is located at 125 Capel Street, North Melbourne, where you may inspect the entire range of FALCON, FORD V-8, FORD 6-CYL. and THAMES TRADER Commercials, in all wheelbases and carrying capacities.
- 5 MORE FOR YOUR TRADE-IN.** With 4 big retail outlets for used cars, plus high-volume of new-car sales, we are always able to offer you Melbourne's highest trade-in allowance. Our special discounts, too, mean better buying for the fleet owner — and a lower change-over cost.
- 6 FINANCE PLAN.** Both New and Used Car Buyers are offered the many advantages and benefits of our private, confidential Finance Plan. These include low deposits (£100 on Cortina and Falcon); re-payments over 3½ years; full pro rata interest rebate for early payment; and, if required, an "On-the-Spot" cash refund where trade-in valuation exceeds amount of deposit. All hire-purchase transactions are confidential and handled entirely by our own staff.
- 7 FORD SERVICE AND REPAIRS.** The Ford Owner is assured of the highest possible standard of After-Sale and General Repair Service at two convenient tramline addresses:—
* 635 Elizabeth Street, City
* 102 Sturt Street, South Melbourne
Ford Factory-approved methods, the very latest precision equipment, and Genuine Ford Replacement Parts mean 100% Owner satisfaction.
- 8 SPARE PARTS.** We carry the largest and most comprehensive range of Genuine Ford Parts and Accessories. Our Vans provide free delivery daily throughout the Metropolitan Area.

On every count, Ford's a far better buy at...

SPECIAL EFFORT

1st: Mrs. C. Spiteri, 91; 2nd: Mr. A. Clements, 175; 3rd: J. Wynands, 202. Consolation: Mr. M. McDonald, 213; Thelma Thomas, 85; I. Livermore, 27; Mrs. J. Thomas, 222.

MOUTH TO MOUTH RESUSCITATION

As a follow-up to last weeks article we are giving eight steps showing the correct procedure of mouth to mouth resuscitation.

1. Quickly place the patient on his/her back. If the ground slopes, place the head higher than the feet. It is an advantage to elevate the shoulders by using any available material such as sand or clothing. While artificial respiration is being applied someone should be sent for the doctor.
 2. Kneel or lie beside the patient's head.
 3. Press down on the patient's forehead with one hand and raise the neck so as to tilt the head backwards as far as possible.
 4. Lift the hand from the forehead and seat the patient's nose by squeezing the nostrils between the fingers. Press the wrist against the forehead to maintain the backward tilt of the head.
 5. Breathe in. Open the mouth wide and place the lips tightly over the patient's mouth. For children, close both the nose and the mouth.
 6. In the case of an adult, breathe with a firm pressure into the patient's mouth and watch the chest rise. For children the breath should be less forceful.
 7. Lift and turn the head away from the patient's mouth and listen for the sound of exhalation.
 8. Breathe in and repeat the movements, continuing at a rate of 10-15 times a minute for children.
- At the beginning of artificial respiration it gives the patient more than a normal amount of air. This is achieved by increasing the rate for the first 10 breaths.

WERRIBEE RIFLE CLUB

Once again members experienced strong right winds while shooting from the 800 yard range last Saturday.

G. Thomas with a 49 was leader in the first stage from B. Comben, 48. Thomas went on to win the shoot with a possible 50 in the last stage.

Results are as follows—

A GRADE

Scratch.—G. Thomas.
Handicap.—B. Comben.
G. Thomas 49, 50 (4.6)—103.6; B. Comben 48, 49 (5.2)—102.2; D. Turner 43, 48 (9.2)—100.2; M. Turk 44, 45 (10.6)—99.6; J. Taylor 46, 43 (10.6)—99.6; J. Sandford 42, 48 (9.2)—99.2; R. McKean 45, 45 (9.2)—99.2; R. Morrall 46, 45 (7.2)—98.2; R. Horton 43, 46—(5.2)—94.2; R. Hopper 43, 45 (5.2)—93.2; D. Brequet 46, 42 (4.6)—92.6; S. Edwards 39, 31 (5.2)—75.2.

B GRADE

Scratch.—E. Watt.
Handicap.—G. Peel.
E. Watt 41, 46 (12.0)—99.0; G. Peel 41, 43 (14.0)—98.0; I. Roberts 39, 40 (15.2)—94.2; D. Gould 36, 29 (24.0)—89.0; A. Wagner 19, 45 (24.0)—88.0; G. Taylor 23, 44 (20.0)—87.0; R. Simmons 33, 37 (15.2)—85.2; R. Tardew 23, 32 (24.0)—79.0.
Next Saturday, August 24, the shoot will be over the 900 yard range.

SOCCER

By Johnnie

In a brilliant first half of the first division soccer match between Williamstown and Moonee Ponds at the J. T. Gray Reserve last Saturday Williamstown scored four goals to be leading 4-1 at half-time.

Lack of condition of many Town players in the second half caused a loss of form and at full-time all—Williamstown could manage was a 4-all draw.

The game opened at a fast and furious pace. Williamstown were dominating in attack and the constant pressure on the Moonee Ponds goal caused its defence to crash.

Goals came rapidly to Williamstown. The first goal was a header by centre-forward Robert Faust. The second was a 30 yard drive by Faust.

Shortly after Faust was injured and left the field. He was replaced by Alan Wynne.

Town's third goal was scored by inside left Sammy McLennan, who raced past a Moonee Ponds defender around the goalkeeper to tap the ball into the net. McLennan made it four when he took an opportunity during a goal-mouth scramble to slam the ball between the sticks.

The second half saw Williamstown let its three goal lead slip and despite excellent defensive play by captain Harry Jones, and full backs Bobby Rarritz and Neil Wynne Moonee Ponds levelled the score.

Referee's votes went to H. Jones 3, Sam McLennan 2, Bobby Rarritz 1.

The Reserves defeated Moonee Ponds 2-0. Goalscorer was J. Morrison 2.

Next Saturday Williamstown face a tough home game at the J. T. Gray Reserve, Kororoit Creek Road, against Coburg. Kick-off is at 1 p.m. for the Reserves and 3 p.m. for the Seniors.

WERRIBEE JUNIOR FOOTBALL CLUB

The return game between Werribee and Central Altona Under 15's took place as a curtain-raiser to the Under 18 game at the Soldiers' Reserve last Sunday.

With greater strength and experience the Werribee boys proved too much for their younger visitors after a good entertaining game.

Final Scores: Werribee 10 goals 9 behinds 69 points, defeated Central Altona 3 goals 3 behinds 21 points.

Best.—WERRIBEE: Berias, Power, Guzzardi, Toffolon, de Pasquale. CENTRAL ALTONA: Harris, P. Hendry, V. Grey, D. Grey, D. Hendry.

Goals.—WERRIBEE: Guzzardi 3, Toffolon 3, Power 2, Dellios 1, Berias 1. CENTRAL ALTONA: D. Grey 1, Howard 1, Pederson 1.

Next Sunday the successful team of last week will be challenged by another Wbee Junior Under 15 side as a curtain raiser to the Werribee South-Werribee clash at Chirnside Park.

BOWLING CLUB NOTES

Last Wednesday's winning rink was Win Neal (skipper), Mick Deagan and Vera Douglas.

On Sunday Jim Flynn skippered the winning rink playing with Pat Gischus, Ila Probert and Bill Monkhouse.

It is congratulations from the club to Edna and Jim Flynn, who are celebrating their 30th wedding anniversary.

SPED IN TRUCK

Alan Charles West, of Oak Road, Niddrie, was fined £5 for doing 45-50 m.p.h. in a six ton truck in Millers Road, Altona North on April 11, 1963, and £5 for failing to give any diverge right signal when overtaking.

THE D.L.P. SAYS...

(The following article was contributed to the "Altona Star" by the Labor Federal Electorate Council of the Democratic Labor Party.—C. P. Meehan, Secretary.)

In October of last year the Chinese Communist troops attacked India and after invading Indian territory, called a halt and withdrew. India now faces a new threat as Chinese Communist armies mass on her border.

Pandit Nehru who once held to the policy of neutralism, is appealing for the united support of his Indian people.

Communist China has a list of claims which includes some Indian and Soviet territories, Indo-China, Burma, Malaya and Singapore. Communist policy also would demand that Japan, Australia and New Zealand sever all ties with the United States and accept the regional leadership of the Red Chinese Government.

The mistake of the A.L.P. policy of recognition to Red China is that recognition will enable the Chinese to claim that tough tactics do pay and so they will win over more of the Communist parties to their side in the ideological battle with the Soviet Union.

There is an urgent need to build a political, military and economic association of non-Communist powers to counter-

balance the strength of Communist China, and to thwart Communist designs in Asia.

It would be possible to build a Pacific community of 675 million people including the peoples of Japan, South Korea, Taiwan, India, Thailand, Sth Vietnam, Philippines and Malaysia with Australia in order to have—

a Integrated military commands to ensure the defence of all members.

b Preferential trade agreements to mutually assist development of member nations.

c A policy to provide poor nations with medical, technical, agricultural, economic and educational aid so as to speed up the elimination of hunger, poverty, ignorance and disease.

LABOR VIEWS

(The following article has been contributed to the "Star" by the Central Executive of the Australian Labor Party.)

There is ample evidence available that many farmers established under land settlement schemes are now in serious financial difficulties. This particularly applies to those settled during the latter stages of the Soldier Settlement Scheme and since.

There is no doubt that the Commission blundered badly with the Heytesbury settlement and did not receive sufficient expert advice prior to subdividing the area.

This has led to settlers walking off after heartbreaking endeavour to eke out a living. Their action forced the Acting Minister for Land, Mr. H. R. Petty, to institute an inquiry into the problems of this area.

He was also forced to grant assistance in clearing properties, otherwise whole scale desertion of the area would have been inevitable.

Despite these decisions, many settlers are still unhappy with the Board of Inquiry as they believe it has not as yet fairly and squarely faced up to its responsibilities in an unbiased manner.

Heytesbury is not the only settlement area in this State where real problems exist.

The Commission and the minister have been informed by many other settlers that they are facing financial ruin.

These people have received very little sympathy in the past when they have approached the Commission with their problems.

Many were told in effect that if they were not satisfied they could "lump it or leave it."

Because of past treatment they have no confidence in the recent request of Mr. Petty

to write either the Commission or himself and air these grievances.

Mr. C. P. Stoneham, A.L.P. Leader of the Opposition in this State, has clearly shown the way.

He has called for an independent inquiry to investigate the problems as they affect many areas.

This Inquiry should be conducted by an expert such as Sir Samuel Wadham, Professor of Agriculture of the University of Melbourne.

Only by this method can real and lasting answers to the problems be found.

It is tragic that the outstanding success attained in the settlement of returned soldiers in the immediate post war period has not continued in later schemes.

The Australian Labor Party believes that the reasons for recent failures and blunders should be ascertained and remedial action taken.

The reasons given by the Bolte Government when these matters were raised that some were lazy and bad managers is not acceptable, and is a slur on hardworking farmers whose only desire is to make a fair and reasonable living.
